Building Bridges provides alumni and friends of the St. Paul Campus Career Center of the University of Minnesota opportunities to advise and educate undergraduate and graduate students about career-related issues. Whether you're able to commit more or less time, travel to campus or not, or prefer to work with individuals or student groups, there's an opportunity for you to help students reach their careers goals. Thank you for sharing your time and expertise with our students.

In order to participate in this rewarding program, please complete the following profile information. We will enter your information into our on-line system for you and send more information about how to update your profile in the system by e-mail. **Or, enter your information online at <http://www.stpaulcareers.umn.edu/alumni/volunteering.html>**

User Name and Password:

Please select a user name to access and update your on-line profile or, if you prefer, we will select a random name and password and send it to you via e-mail.
